

COLLEGE OF THE BAHAMAS LIBRARY

REFERENCE DEPARTMENT

COB UNION PERIODICAL DIRECTORY

2003-2004

The College of the Bahamas Libraries maintain current subscriptions for magazines, scholarly journals and newspapers. The Periodical Directory is an alphabetical listing of all active and inactive subscriptions within the libraries. It provides holdings (issues and years), the location and the format (e.g. current, bound, or microfilm). Titles included in the Periodical Directory spans 1828 to the present time.

CURRENT PERIODICALS

Current Periodicals are located on the ground floor in the Reference area and comprise of journals, magazines and newspapers. As they age these hard copies are bound and placed on the top floor.

BOUND PERIODICALS

The majority of the bound periodical collection is housed at the Oaks Field Campus Library on the top floor. They are arranged in alphabetical order by title.

MICROFILM

Microfilm titles require a special reader to project the information for viewing and printing. Periodicals on microfilm are housed in the Reference Research area on the ground floor. Due to limited space some microfilms are stored in the microfilm archives. Please seek assistance at the reference desk in order to access these.

PERIODICAL HOLDINGS AT BRANCH LIBRARIES

Periodical titles held by the Branch Libraries as indicated in the Directory. Please refer request for these to the branch library address.
