HURRICANE SAFETY TIP

When a Storm Watch is Issued:

Listen to radio or TV stations for up-to-date storm information. Prepare to bring inside any lawn furniture, outdoor decorations or ornaments, trash cans, hanging plants, and anything else that can be picked up by the wind. Prepare to cover all windows of your home. If shutters have not been installed, use precut plywood as described above. Note: Tape does not prevent windows from breaking, so taping windows is not recommended.

Fill your car’s gas tank.
