PRESIDENT HODDER IN WASHINGTON D.C.

President Hodder is in Washington D.C. attending the American Council on Education’s 91st Annual meeting. Founded in 1918, the American Council on Education (ACE) serves as a consensus leader on key higher education issues and seeks to influence public policy through advocacy, research, and programme initiatives. It fosters greater collaboration and new partnerships within and outside higher education and its members and associates are approximately 1,800 accredited, degree-granting colleges and universities and higher education-related associations, organizations and corporations. While President Hodder is out of office, Executive Vice President Dr. Rhonda Chipman Johnson will act as President. President Hodder will be back in office on Thursday February 12th.

HELP BRAND THE UNIVERSITY OF THE BAHAMAS

You are invited to help create the brand identity that will define our soon-to-be-university. Sign up today at communication@cob.edu.bs

NOTICES cont’d

NEW AT PHYSICAL PLANT
The Physical Plant Department is in the process of installing motion sensors in all bathrooms on campus in order to conserve energy. The sensors activate the lighting when movement is detected and will turn off the lights within 20 minutes of no movement. If you have any questions or concerns, please call the Physical Plant helpdesk at extension 4607.

Physical Plant has also launched a new helpdesk to make their service more efficient. Call extension 4607 or e-mail pphelpdesk@cob.edu.bs

FORA ON SUSTAINABILITY & DEVELOPMENT ISSUES
