BE SAFE AROUND CAMPUS!
Following an assault in the vicinity of the Michael Eldon Complex last
week, the Security Department is asking all students to be especially
careful when on campus late in the evening. Students, particularly
females, should not stay alone anywhere on the campus after classes or
even in small groups of two or three. If you have to wait alone for a ride,
please wait at the security desk or booth until your ride arrives. This will
help to ensure your safety.

How Do We Live Around the World
College of The Bahamas students have been invited to
participate in a study on how people live around the
world. This initiative, which is sponsored by the United
Nations Environment Programme and International
Association Universities, brings together young adults
from all over the world from different cultures to share
their ways of living and their vision for the future.

Therefore, we would like to encourage our students to
participate in this survey so The Bahamas is represented
in this important study.

The survey form can be found online at www.unep.fr/ gss/ [If you would prefer to complete a paper version
of the survey form, please leave your completed
form at the Planning Unit (Room A114, close to the
President’s Office in the A-Block)]. Thank you for
your participation.
