**SUMMARY**

Established in 1974, The College of The Bahamas is the national higher education institution of The Commonwealth of The Bahamas. With an enrolment of 5000 students, the College offers master, bachelor and associate degrees.

The School of Chemistry, Environmental and Life Sciences is seeking a full-time faculty member who is able to teach organic and general undergraduate Chemistry courses; has a strong commitment to teaching undergraduate students; is knowledgeable in the use of current creative/innovative pedagogies; and who is engaged in scholarship and research.

**DUTIES AND RESPONSIBILITIES**

- Teaching organic and general undergraduate Chemistry courses;
- Participating in curriculum review, revision and development;
- Engaging in research and scholarly activities;
- Participating in student recruitment and advisement; and
- Serving on departmental, School and College-wide committees.

**QUALIFICATIONS**

- An earned PhD in Organic Chemistry or a related discipline from an accredited institution;
- Tertiary-level teaching experience;
- Evidence of research and scholarship.

Experience in the areas of organic synthesis or natural products studies would be an asset.

**SALARY GRADE**

TD - Doctoral Degree  
$42,160 - $71,410

**APPLICATION DEADLINE**

February 27, 2014

**APPLICATION INFORMATION**

Applicants should submit the following:

- A completed College of The Bahamas Application for Employment Form ([www.cob.edu.bs/hrprofile](http://www.cob.edu.bs/hrprofile));
- A letter of interest (highlighting work experience and accomplishments relevant to the position);
- An up-to-date curriculum vitae or resume;
- Teaching philosophy statement;
- Evidence of excellence in teaching;
- Evidence of research and scholarship;
- Unofficial transcripts (official transcripts needed for employment); and
- At least three confidential, professional references.

*Applications will NOT be considered without the complete package.*
