#### SUMMARY

Established in 1974, The College of The Bahamas is the national higher education institution of The Commonwealth of The Bahamas. With an enrolment of almost 5000 students, the College offers master, bachelor and associate degrees.

The Department of Technology in the School of Mathematics, Physics and Technology is seeking an Assistant Professor in Electrical Engineering who is committed to undergraduate instruction; is engaged in scholarship and research; is knowledgeable about current innovative trends in pedagogy, PSpice or similar software, MATLAB and C++. Knowledge of AutoCAD and LabVIEW would be an asset. Eligible candidates with specialization in renewable energy and communication systems are encouraged to apply.

#### DUTIES AND RESPONSIBILITIES

- Teaching of engineering and engineering technology to students at the undergraduate level;
- Participating in curriculum review, revision and development;
- Contributing to the development of teaching and laboratory materials;
- Participating in student recruitment and academic advising;
- Engaging in research and scholarly activities;
- Participating in departmental, School and college-wide committees.

#### QUALIFICATIONS

- Doctoral degree in Electrical Engineering or a related field from an accredited university;
- Tertiary–level teaching experience;
- Evidence of research and scholarship.

Preference will be given to candidates with specialization in renewable energy and communication systems. Knowledge of PSpice or similar software, MATLAB and C++ is essential. Knowledge of AutoCAD and LabVIEW would be a plus.

#### SALARY GRADE

TD - Doctoral Degree $42,160 - $71,410

#### APPLICATION DEADLINE

9 March 2015

#### APPLICATION INFORMATION

Applicants should send the following documents:

- A completed College of The Bahamas Application for Employment Form (www.cob.edu.bs/hrprofile);
- A letter of interest (highlighting work experience and accomplishments relevant to the position);
- An up-to-date curriculum vitae or resume;
- Teaching philosophy statement;
- Evidence of excellence in teaching and professional practice;
- Evidence of research and scholarship;
- Unofficial transcripts (official transcripts needed for employment);
- At least three confidential, professional references.

*Applications will NOT be considered without the complete package.*
