**SUMMARY**

Established in 1974, The College of The Bahamas is the national higher education institution of The Commonwealth of The Bahamas. With an enrolment of 5000 students, the College offers master, bachelor and associate degrees.

The Mathematics Department is seeking faculty with a strong commitment to undergraduate teaching and research; the ability to teach undergraduate mathematics and statistics courses to science and non-science majors; and who have a research specialty in one of the following areas: applied mathematics, combinatorics, differential equations, logic, number theory, or probability theory.

**DUTIES AND RESPONSIBILITIES**

- Teaching undergraduate mathematics courses to mathematics and non-mathematics majors;
- Participating in curriculum review, revision and design;
- Contributing to the development of teaching materials;
- Participating in departmental projects and academic advising;
- Engaging in research and scholarly activities with the potential for scholarly publication;
- Serving on departmental, School and college-wide committees.

**QUALIFICATIONS**

- An earned doctoral degree in Mathematics from an accredited institution;
- Excellent tertiary–level teaching experience;
- Evidence of research and scholarship.

Candidates with research specialties in the following areas are especially encouraged to apply: algebra/number theory, analysis and geometry/topology, operations research, partial/stochastic differential equations and financial mathematics.

**SALARY GRADE**

| TD - Doctoral Degree | $42,160 - $71,410 |

**APPLICATION DEADLINE**

February 27, 2014

**APPLICATION INFORMATION**

Applicants should send the following:

- A completed College of The Bahamas Application for Employment Form ([www.cob.edu.bs/hrprofile](http://www.cob.edu.bs/hrprofile));
- A letter of interest (highlighting work experience and accomplishments relevant to the position);
- An up-to-date curriculum vitae or resume;
- Teaching philosophy statement;
- Evidence of excellence in teaching;
- Evidence of research and scholarship;
- Unofficial transcripts (official transcripts needed for employment); and
- At least three confidential, professional references.

*Applications will NOT be considered without the complete package.*
